Club Competition Arrangements for 2021/2022

Finals will be played in whites, except for Novice Competitions which will be played in greys.

Competitions:

Ladies Novice Singles: Open to any lady that has not previously reached a club competition final. The Semi-finals and final will be played in greys and not whites.

Drawn Ladies Pairs: Both names will be drawn from the pool of entrants.

Drawn Ladies Triples: Lady skips will be seeded and drawn separately; additional names will be drawn from the remaining pool of entrants. Applicants are to indicate on the entry form if they are prepared to play skip.

Drawn Ladies Fours: Lady skips will be seeded and drawn separately; additional names will be drawn from the remaining pool of entrants. Applicants are to indicate on the entry form if they are prepared to play skip.

Finals will be played between Tuesday 5th and Thursday 14th April 2022.

Before entering please ensure all team members are available to play the semi-finals and finals on these dates. No changes to these arrangements will be granted.

The closing dates for the rounds will be notified once the competition draw has been completed. Competitors should check the Rink Management System for rink availability and book rinks in accordance with the rink booking procedures laid down in the Bye-Laws. Competitors are reminded that rinks allocated to league matches may not be taken for club competitions without reference to a committee member.

The Challenger (the first named player) must offer her opponent the choice of two dates (one of which must be at a weekend). These dates are to be offered not less than 10 days before the closing date of the round, and for a second or subsequent round, within 8 days of the closing date of the previous round. In the event this does not happen the second named player then becomes the Challenger and shall offer any two dates before the closing date of the round.

No extension will be granted in any round of the Club Competitions and in the event that a date cannot be agreed by the competitors, the Competition Secretary will act as the final arbiter. If a competitor is awarded a walkover by his opposition, the Competition Secretary must be notified accordingly on or before the closing date of the round. Failure to play a match on or before the closing date of the round may result in the elimination of both competitors from that competition.
